### ABOUT ME

Machine learning enthusiast with a strong foundation in mathematics and computer science. Brings analytical problem-solving skills, experience in collaborative projects, and the ability to communicate technical concepts effectively. Eager to apply theoretical knowledge in real-world ML applications.

### EDUCATION

#### Gautam Buddha University | 2023 - 2028

##### Integrated B-TECH M-TECH CSE

Greater Noida, Uttar Pradesh

#### Greenway Modern Sr. Sec. School | 2023

##### Completed 10th and 12th

Roorkee, Uttarakhand

### CERTIFICATIONS

#### Google Cloud Analytics

Google Cloud Analytics from Google Cloud

#### Machine Learning Algorithms in Python

Machine Learning Algorithms in Python certificate from Udemy.

#### Python Programming

Python Programming certificate from Udemy.

#### Introduction to programming using python

Introduction to programming using python certificate from GUVI Geek Network.

### TECHNICAL SKILLS

- Programming:** Python, SQL
- Machine Learning:** Supervised, Unsupervised, NLP, Artificial Neural Network
- Framework:** Scikit-Learn, TensorFlow, PyTorch (Basic), Matplotlib, NumPy, Pandas
- Tools:** Fast API, Docker, Git, Linux
- Database :** MySQL

### PROJECTS ( [Projects Link](#) )

- Data Pre-processing Model
- Classification Model
- Regression Model
- Music Prediction Model
- Weather Forecasting Prediction Model
- Artificial Neural Network Model

### KEY ACHIEVMENTS

#### Hackathon Winner

1st place in the Hackathon powered by Abhivyanjana, in GBU

#### Google Cloud Data Analytics

Google Cloud Data Analytics Certificate from Google

#### Matrix Hackathon Participation

Participation Certificate of Matrix Hackathon, in IITM University
